How to Get to Edellyn Farms

Chicago, North Shore & Milwaukee Trains—From Adams and Wabash Street Station, Chicago, to North Chicago Junction on the hour. Conveyances will be provided from this station to farm.

Those Coming by Auto—Edellyn Farm is located 4 miles west and 1 mile south of Waukegan. The distance is 38 miles from Chicago. The new Chicago to Milwaukee super-highway, Route No. 41, runs along the east edge of the farm. The entrance to the farm is on the old 41 highway which parallels the new highway about ½ mile west.

From South or West—Those who wish to avoid driving through Chicago may follow the paved highways through Joliet, Aurora, Geneva, St. Charles or Elgin, then east to route 41 and north to the farm.

Mail Bids—Those unable to be present and who desire to do so may send buying orders to Hal Longley or Will Johnson of The Shorthorn World; F. W. Harding, Secretary American Shorthorn Breeders' Association, John E. Halsey of Wallaces' Farmer; J. F. Richards, Jr, of the Drovers Journal, or "Howdy" Brant of the Drovers Journal.

Auctioneers—A. W. Thompson and J. E. Halsey.

Sale will start promptly at 1:00 o'clock, Central Standard Time.

Lunch will be served at the farm.

The Edellyn Shorthorn Sale is the most interesting and most important event during "National Shorthorn Week". The date is conveniently arranged on a Monday so that Sunday may be used for travel.

Those who attend Mr. Harding's sale in Chicago on Saturday, June 4th, are cordially invited to visit our farm and inspect the breeding herd on Sunday, the day between the two sales. Mr. Wm. Bartholomay Jr., whose farm is located just two miles from Edellyn, will also be pleased to have visitors inspect the Marellbar Herd on Sunday. There are excellent hotels in Waukegan for those who wish to spend the night close to the farm.

To those who wish to attend the Maxwalton Sale at Mansfield, Ohio on the following day, June 7th. If you travel by auto it is best to drive to Ft. Wayne, Ind., on the evening of the Edellyn Sale. It is a comfortable drive to Maxwalton from that point. Those who are traveling by train may leave Chicago on the Pennsylvania R. R. at 5:00 P. M., 8:00 P. M. or 11:15 P. M. The trip takes approximately seven hours by train.

*We Invite You
to Visit
Edellyn Farms...*

Another year rolled around and we are happy to announce the thirteenth Annual Sale. We are offering a nice lot of bulls and females that I think will be pleasing to our guests on that occasion. These cattle are developed along practical lines with a strong injection of new Scotch blood, and I think, as in the past, they are all animals that will give a good account of themselves in the future. In any event, whether or not you prove to be a purchaser at the sale, we will be happy to have as our guests at Edellyn Farms all who are interested in this great breed of cattle.

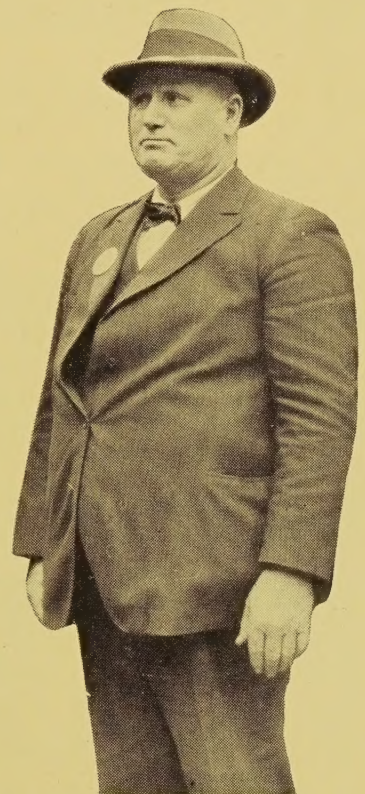

Looking forward to seeing you, I am,

Yours very truly,

Thos. E. Wilson

The Herd Bulls at Edellyn Farms

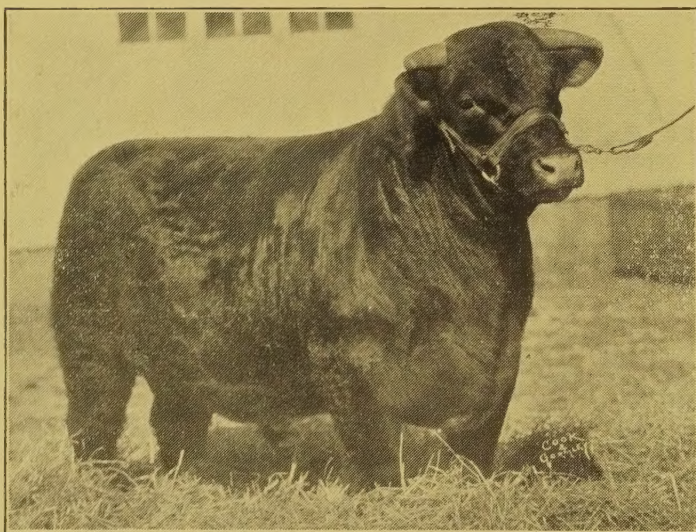

SULTAN BROWNDALE 1772330

Grand champion Short-horn bull at the 1935 International Live Stock Exposition and American Royal Show as well as at the Illinois, Iowa and Indiana State Fairs. His sire was the champion Glenburn Field Marshal by the International grand champion Edellyn Favorite by Browndale Count. His dam was Rookwood Golden Chain 5th. Sultan Browndale was bred at Edellyn and his calves, a feature of this sale, are convinc-

ing proof that he is as great a sire as he was a show bull. One of his first bull calves, Rosehaugh Sultan was junior champion at the 1936 International. Ten sons and ten daughters of Sultan Browndale are listed in this sale.

BRAWITH COUNT 1846144

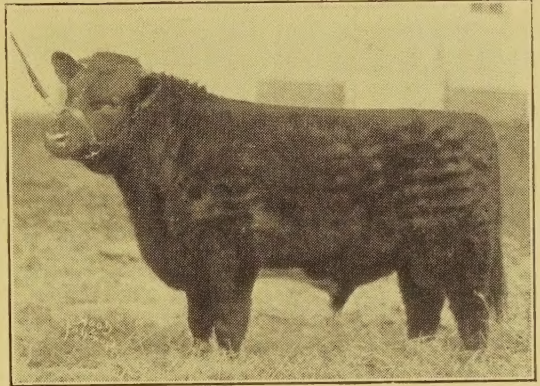

Winner of first prize in the summer yearling class at the 1936 International Live Stock Exposition and now one of the herd sires in the Edellyn Herd. He is a son of Imp. Brawith Boy, the only Scottish Highland champion that was ever imported to America and winner of the grand championship at the Canadian National and Toronto Royal Shows after his arrival in Canada. Brawith Count represents five generations of

the breeding of Jas. Douglas & Sons and his third dam is almost a full sister of Browndale Count. His dam is in our herd and you will see her on sale day. After you see the dam, the bull and a full sister to the bull, we know you will want to buy the females in calf to him.

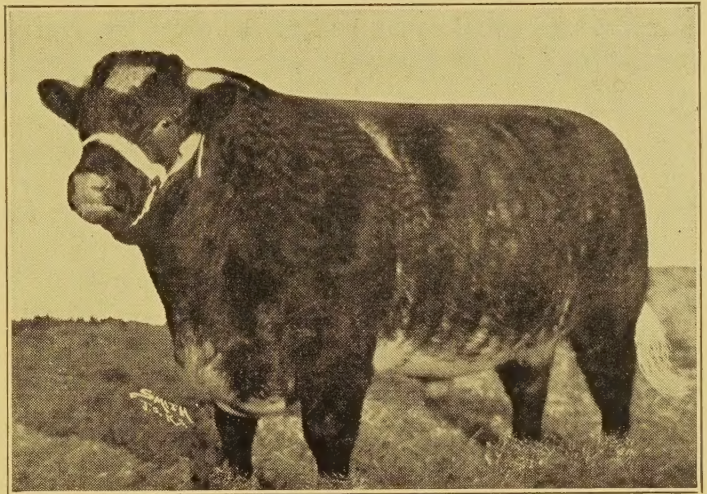

LEADER'S DIAMOND MINE 1875216

THIS is the son of Raveni Leader that we retained for use in our own herd. He was exhibited last year and, with Sultan Landlord, won first in the two bull class everywhere. He is out of the famous cow Imp. Phingask Myrtle. She was the dam of Edellyn Perfection used by Blotz Bros.; Edellyn Red Sunrise, used by Arnold Bros.; and the two noted show females, Edellyn Myrtle and Edellyn Mrytle 2d.

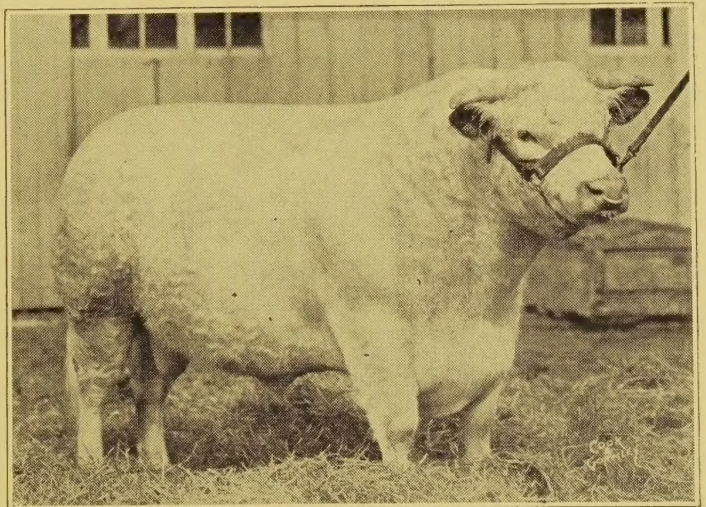

RAVENI LEADER 1680652

JUNIOR CHAMPION bull wherever exhibited in 1932, including the International Live Stock Exposition and the American Royal Show and grand champion at the 1933 American Royal. He was produced from the mating of Browndale Pilot with a daughter of Browndale Star. Until his recent death he was one of the chief stock bulls at Edellyn Farms and his calves are among the best ever produced in our herd. His sons are now making great records in leading herds and his daughters are proving splendid producers. There will be one bull and four females sired by him in this sale and no more will be offered from our herd.

CALROSSIE GOLDFINDER 1753587 (Imp.)

ONE of the chief stock bulls at Edellyn Farms and one of the most valuable sires ever imported from Scotland to this country. He is a son of the noted Collynie Royal Leader by Balcairn White Eagle and is a half brother to Calrossie Control whose ten sons in the 1935 Perth Sale sold for an average of \$4,100.00. This is the blood that is really doing things in Scotland and breeders in this country should be eager to obtain it through his sons and daughters in this sale. A number of the

calves that are offered by him are also out of imported dams that have been selected from the most famous herds in Scotland.

THE purchase of a herd bull is without doubt the most trying as well as the most important task in the career of the purebred cattleman. One of the ways to make the problem easier of solution is to profit by the experience of others. During the life of the Edellyn herd, approximately 260 bulls have been sold for breeding purposes. Not all of these bulls have gone to head large herds,—in fact some of the most notable breeding records have been accomplished in the smaller herds,—but in each case they were purchased by men who were anxious for success and who knew that these Edellyn bred bulls represented a combination of good type and rich ancestry that would insure it. These 260 bulls have definitely accomplished three things, namely,—the improvement of quality and type in the herds they have headed, the improvement of prices and profits for the men who have used them, and last but not least, the general improvement of the Shorthorn breed in this country.

Thirteen more bulls in this 1938 Edellyn Sale will accomplish the same results for those who are fortunate enough to buy them. Study these illustrations and note the character displayed in each head. Note the compactness depth of body, levelness of lines and balance of each bull, as well as the style, quality and thickness of flesh.

Every one of them is out of a cow that you will be proud to identify as the dam of your herd bull. Most of the dams are imported females or daughters of imported females. There is a history behind every bull in the offering. And there is a record of performance and a reputation for fair dealing that makes Edellyn the ideal place for a herd bull purchase.

Hal Longley of The Shorthorn World.

Salvage to go to the seller. No charge for feed or maintenance shall be made by either buyer or seller. Edellyn herd has been accredited for 6 years.

Sultan Count 2d is a very promising summer yearling and he represents a blood combination that will bring prestige to the herd of his new owner. His sire was the International grand champion Sultan Browndale, his dam was by the famous Browndale Count and his granddam was imported. A roan heifer out of the same dam was one of the good females purchased in our 1937 sale by W. F. Glenn, Dorchester, Tex.

Sultan Marquis

Sultan Marquis is a very dark red son of the International grand champion Sultan Browndale and a very good bull in every way, although not in as high flesh as some of the others. This family has produced some of our most valuable cattle. It is the family that produced Edellyn Knight Leader, now siring outstanding calves in the herd of Otto Johnson, Rio, Wis., and the same family that produced Browndale Prince, used with great success in the Anoka Herd.

*Edellyn Bred Females will
Help You to Success—*

THE statement is often made, and truly so, that “the bull is half the herd.” It is only fair to add to this statement, however, that no bull ever made history as a sire unless he was mated to females of the right type and ancestry. Successful breeders everywhere point to their Edellyn bred females as the top producers in their herds. This Thirteenth Annual Sale contains 29 cows and heifers representing the finest ancestry that it is possible to obtain either in this country or Scotland. With many show prospects, with every animal ideal for foundation purposes and with the prestige of the Edellyn Herd behind each beautiful individual in the offering, this sale presents a wonderful opportunity for the beginner who wishes to start at the top and for the breeder who is anxious to reach that goal.

Collynie Queen Maud

Many people have asked us "Why don't you ever sell any of your imported cattle?" Our answer to this question is that Edellyn Farms is a breeding institution. We have imported many cattle but our only reason for so doing is to blend the strongest blood lines of Scottish herds with the strongest of American herds, thereby making available to our fellow breeders a concentration of blood lines that will result in the general improvement of the breed. In order that breeders in this country may be more familiar with the quality of females imported from Scotland for use in our herd, we have decided to offer just one of these animals. For this purpose we have selected the beautiful red 4 year old cow Collynie Queen Maud, bred by Duthie Webster and a direct daughter of the famous bull Rosehaugh Mandarin. Man-

ager Dickson, who has been a contesting bidder on most every top imported female exposed for sale in this country says, "This is the best imported cow ever sold at auction in America and we wouldn't think of offering her if we didn't have her very choice roan daughter in the herd." She is a cow with character, quality and style and she is in calf since Sept. 29th to Imp. Calrossie Goldfinder, a son of the noted Collynie Royal Leader. It is impossible to estimate the value of a calf from such a mating. This cow is recorded in the American herd book and will be transferred to the new owner without penalty fees.

The Recognized Source of Supply for Reliable Shorthorn Herd Bulls—

SINCE its establishment, some twenty years ago, Edellyn Farms has been the institution of recognized leadership in the production of successful Shorthorn herd bulls. The willingness on the part of the owner to make available to American breeders superior young individuals that represent a careful blending of the most prepotent blood of two continents has made him a benefactor to the cause of American live stock improvement. Pictured herewith are just a few famous Edellyn bred bulls that have made and are making history for the Shorthorn breed. There are hundreds of others, all of them with records that make them eligible to the Hall of Fame. Edellyn is the source from which comes the most potent Shorthorn breeding stock. When in need of reliable seed, why take chances? Buy where there is positive assurance of getting the best.

Edellyn Hilda 2d and cow calf.

Breeders will recall that in each of our sales during the past few years, we have sold something very valuable out of the imported cow Fair Hilda and her daughters. With reluctance we are offering in this sale the 4 year old dark red cow Edellyn Hilda 2d, a daughter of Imp. Calrossie Lord Rothes out of Fair Hilda. She is a sweet cow and she sells with a very choice solid red heifer calf at foot dropped Feb. 16th and sired by Brawith Count. She is rebred on March 17th to the same bull. Edellyn Hilda 2d is a full sister to the summer yearling bull that we will show this year.

Madge, a 2 year old dark red heifer, short legged and well balanced will sell with a choice roan heifer calf at foot, dropped March 13th and sired by Sultan Landlord. It will be recalled that Sultan Landlord sold in our last

sale to Countryman Stock Farm, Rochelle, Ill. He was shown with great success in 1937, then used liberally in that herd, after which he was sold at a nice profit to Mr. Perkins of California. Madge is a daughter of Imp Brawith Boy, used with great success in the herd of Jas. Douglas & Sons and the only Scottish Highland champion ever imported to North America.

Edellyn Bridal Day 2d is one of the reasons why we think that Edellyn Emigrant is one of the top sires that we have ever developed. She is a very attractive heifer and the great list of bulls in her pedigree should insure her usefulness as a brood matron.

Edellyn Orange Blossom 22d

Edellyn Orange Blossom 22d is even better than her picture shows her to be and we are reluctant to part with her. She will show as a senior yearling this year and she should win back a large part of her purchase price. No one will exhibit a blockier, shorter legged, or more compact female. This heifer is a daughter of the famous imported Highland champion, Brawith Boy and she is a full sister to our great junior herd bull Brawith Count. The cow Morning Blossom 3d, appearing in the fourth generation of this pedigree, was a full sister to Browndale Count.

Edellyn Beauty 16th

Edellyn Beauty 16th, squarely made, perfectly proportioned and as stylish as one could desire, will be anyone's choice for a real brood cow and she has a pedigree that will bear closest study. She should make a strong show as a junior yearling this year. She is out of the same dam as the great young bull Leader's Crown that sold in our 1936 sale to Asa W. Sherritt of North Dakota. He was afterwards a winner of many junior championships and is proving a great sire.
